

AI Trusted Advisors – Voice AI Case Study

■ Education

Client Challenge: Schools and universities were overloaded with parent/student calls about admissions, tuition, and schedules.

Voice AI Solution: Voice AI answered FAQs, collected admissions info, and scheduled tours instantly.

Results in 30–60 Days: 15 admin hours saved weekly, ROI in 30 days with just 5 new enrollments.

How They Benefited:

- Parents got instant answers
- Relieved staff during busy season
- Faster scheduling of tours
- Improved first impressions

Key Benefits:

- Better parent experience
- Higher enrollment conversions
- Lower admin workload
- 24/7 coverage

“Voice AI streamlined our admissions process completely.”
