

AI Trusted Advisors – Voice AI Case Study

■ Real Estate

Client Challenge: Agents missed hot buyer calls during showings, losing leads.

Voice AI Solution: Voice AI answered inquiries instantly, collected lead info, and scheduled property tours.

Results in 30–60 Days: 3 extra closings in 60 days, ROI achieved with 1 extra commission check.

How They Benefited:

- Captured leads 24/7
- Improved trust with fast response
- Agents focused on showings
- Higher closing rates

Key Benefits:

- No missed hot leads
- Better lead qualification
- Higher close rates
- Increased agent productivity

“Our response time went from hours to seconds.”
